Location

Welcome aboard Barefoot Zulu, a Seawind 1050 Resort Catamaran, a purpose built day charter boat accomodating up to 29 guests. Zulu's unique design allows you to converge in one seating area and floor space featuring an open layout where guests can comfortably mingle.

To keep your food and beverages cold, we've installed two eskies and a gas BBQ on Zulu. Bring your own food, beverages, and ice, or choose from our BBQ Menu and we'll handle the catering. Our enthusiastic team of skilled skippers and deckhands oversees all of our charters, ensuring that you have a fantastic day out on the water.

All the FUN things –We love a bit of water fun on Barefoot Zulu and we have plenty of other water toys to play with too so just ask. We also have life jackets for the little and BIG kids who may not be such confident swimmers.

Environmentally Friendly cruising–We provide all the cups, plates, wine glasses and platters you could want so no need for disposable ANYTHING. All rubbish is separated aboard Barefoot Zulu, recycling is captured with containers deposited through CDS, cardboard and plastics sent for recycling and all other waste kept to a minimum and we SAIL to reduce our carbon footprint if requested. We are also one of the MOST environmentally friendly vessels on Sydney Harbour.
