Location

The Lux Riviera Scenic motor catamaran is an elegant, multi-story party boat featuring split decks and ample interior, outside, and covered space for up to 40 guests. Featuring contemporary, chic furniture and décor throughout, the Lux Riviera Scenic had a comprehensive renovation in 2023. The party boat is perfect for corporate occasions as well as for entertaining friends and family. Entry into the yacht is through the rear deck. This space offers a great platform for you and your guests to take in the sights during your boat hire. The rear deck is covered under an awning to ensure that you and your guests are protected against any harsh weather elements as you enjoy your boat hire Melbourne experience. Inside, the main salon is expansive. Guests may easily personalise the yacht to fit the theme of your event. As you cruise along the harbour, large windows and ample lighting enable you to admire panoramic views - guaranteeing a unique and memorable experience.

There are several catering packages that you can choose from, and all meals are freshly prepared from locally sourced produce. Alternatively, Lux Riviera Scenic allows for BYO food and drinks if you so wish. Please note that though the boat is licensed to accommodate 40 people, 20-30 people will be more comfortable. Lux Riviera Scenic is available for private charters 365 days of the year, including public holidays, and sightseeing cruises. Selected ticketed cruises & events are also scheduled on this vessel.
