All charters are BYO food and drinks, giving you the freedom to bring your favourites on board. Sit back, relax, and enjoy a scenic cruise across Brisbane's waterways and the sheltered, island-dotted expanse of Moreton Bay.

Choose from a 2-hour Sunset Cruise to watch the sky light up with romantic shades of red and orange, or a 5-hour Peel Island Cruise to explore the historic quarantine station, spot the partially submerged shipwreck The Platypus, and enjoy the bay's rich marine life and stunning coastal views.
