SPECIAL CONDITIONS/NOTES

- Separate children's Menus are available for 12yrs old and under if preferred. Alternatively, they can have the same menu as the adults which will be charged at half the price of an adult
- Bucks/Hens Parties – Allowed for a day charter only 12pm to 4pm (no evening charters). Topless waiters/waitresses allowed only, no full nudity or shows permitted
- 18ths & 21sts – all ID will be checked upon boarding. Guests without ID or under the age of 18 and unaccompanied by their own parent or legal guardian will not be permitted to board as we are a licensed venue
- Children's parties (under 18) – dry event only and must be accompanied by a specific number of adults according to children (ratio of 1 adult per 5 children)
- All suppliers provided by the customer (not the vessel) are included in their guest numbers
- Karisma 2 is wheelchair accessible for a standard wheelchair only. Please contact us for details.
- Additional venue inspections \$150 per visit (1 x inspection FOC)

CASH BAR/ PAYG BAR

- Guests are required to pay for their own drinks on the night. This process can be more time-consuming with only one staff member handling both drink preparation and payments. To reduce wait times and enhance the guest experience, we recommend adding a second staff member at an additional cost of \$350. This ensures two staff members are available to serve drinks and process payments efficiently.
- Please note: A minimum spend applies to the cash bar. If the minimum is not met by the end of the event, the organiser is responsible for covering the shortfall. It is essential that this information is clearly communicated to the organiser in advance.

WEDDINGS

- Weddings require significantly more administration over a longer period leading up to the charter. They are highly detailed and time-consuming, involving the creation, review, and adjustment of run sheets, as well as repeated communication with multiple vendors and suppliers. All of this information from client meetings then needs to be relayed back to us as the venue. Please note that you will be required to submit a run sheet on behalf of your client as part of the agency process like any other charter, for us to check over and amend as required, rather than asking us to do so. We can provide an example/draft run sheet for your office to keep on file and use, as assistance.
- We prefer that weddings are managed directly with the venue once the client has confirmed their booking, rather than passing through multiple hands or a third-party agent. We believe the bride and groom or their wedding coordinator should liaise directly with the venue, as we are experienced in hosting weddings.
- We are open to trialling a flat referral fee, with the booking handed over to us once the client has chosen our venue. Often, during inspections, couples express that they would prefer to deal with us directly, but we are unable to accommodate this under the current process.
- Please let us know if you would like to discuss the referral fee for your booking before the client inspection.
- Please refer to our new separate "WEDDINGS ON KARISMA 2" document in the folder containing Example Run Sheets and a Booking Checklist.
