**Quotes based on a 4 hour performance time*

Alternatively, arrange your own entertainment. For this option, we suggest adding additional vessel hire time to allow DJ/musicians to set up and pack up. This will give them extra time on each side of the charter to prepare &/or unload. (Locations can be the same as the main pick up wharf or another convenient wharf on the way to the main pick up location.)

This also applies for clients that require a decorator to theme their vessel or have extensive BYO catering. Wharfage fees apply.

The vessel has an audio point available for use; we supply the cable and the music runs throughout the speakers on the ferry, all you need to bring is a fully charged music device (eg smart phone, iPod, iPad, etc). **Speaker Hire \$100**

Note:

10% surcharge after midnight
