Location

At over 80 feet and three levels of European luxury, the Pearl provides Melbourne with an unrivalled setting in which to entertain. The Pearl has recently undergone a major refurbishment guided by the creative direction of renowned designer Paul Hecker (Hecker Guthrie). The result is a contemporary, sleek motor yacht unlike any other vessel in Melbourne.

Inside, the main saloon is not only expansive, but also tastefully designed. The main saloon is the entertainment area of the yacht. It has a state of the art entertainment equipment that will definitely impress your guests. Guests will also love the large windows that make it easier to catch all the action taking place on the Harbour from inside the yacht. Overnight luxury boat hire on MV Pearl will also give you access to the cocktail bar. Our luxury boat hire on MV Pearl package is inclusive of crew members, led by a highly experienced skipper.

MV Pearl can accommodate a maximum of 67 guests and can be customised to fit any type of event. 20 guests is the maximum capacity of a single banquet table. Maximum capacity for seated dining throughout the boat is 36 guests.

The 3 levels give an impressive sense of space & the ability to choose how you want to spend your time. Sun bake on the lounges during the day or party on the sky deck at the bar. Dance the night away under the stars with your own DJ taking in Melbourne's fabulous city lights & docklands. If you are looking for a classy and luxurious venue for your next event, MV Pearl is a great choice.
