**Sydney**

Location

TooUp is the perfect vessel to take up to 20 guests in style and comfort, with ample room for all to enjoy your day on the beautiful waterways of Sydney Harbour.

The spacious aft deck is in full shade and can be enclosed to protect you from the wind. The internal main saloon allows guests to relax around the dining table on the comfortable lounge. The saloon and the aft deck combine to provide one spacious area. The front trampoline, sundeck and bow are perfect places for guests to laze and relax in the sun. There is room at the helm position so that you can join the skipper and try your hand at steering. For overnight guests there are two Queen cabins and one double cabin with two bathrooms, each with separate spacious showers.

Fully equipped, light-filled galley forms an integral part of the entertaining area and the Inbuilt MP3 sound system ensures the perfect soundtrack for your cruise & a TV so you can stay in touch. A dive platform and swim ladder gets you into the water for a refreshing dip; a warm deck shower awaits you to rinse off when you're done.

As you relax on the forward deck's sun lounges and tapeze nets, take in the sea breeze and sunshine. Drop down clear curtains protect you against the weather whilst you take in the beautiful views.

Your experienced Skipper will show you all the iconic sights of Sydney as well as the harbor's secret coves and hidden gems. It goes beyond simply sailing comfortably; you'll be sailing in style with seasoned crew that want to share their passion for Sydney Harbour with you.
