Location

Carol Dee is a sprawling double decker party boat that was recently refurbished to accommodate up to 180 guests. Carol Dee features a large lower deck with a bar, speakers and 270-degree views. There's an extensive dance floor, a DJ booth and lighting equipment on the upper deck. For the winter months, both floors can be fully open to let in fresh air or weathertight. No matter the season, her vast skylight roof provides an incredibly unique experience.

Featuring a sizable retractable windowed lower deck area that is ideal for sit-down gatherings, performances, and cosy chats amongst guests. Carol Dee also comes with several restrooms and a huge bar to accommodate various events. Best of all, Carol Dee is completely unaffected by weather conditions and offers your event a plethora of possibilities.

The real celebration starts upstairs. A robust music system and a spacious dance floor with seating along the edges will add excitement to any gathering.

Carol Dee conveniently picks up and drops off from Harbour Esplanade Docklands. From departure, we head downstream of the Yarra River taking in the incredible views under the Bolte Bridge through the Ports of Melbourne and under the Westgate Bridge through to Hobson's Bay-Williamstown. On the return trip back to Docklands you have uninterrupted views across the bay while capturing Melbourne's stunning city skyline views.
